R'AFAT ALMAITA

Full-Stack Web Developer | AI Prompt Engineer

✉ rafatmaita2030@gmail.com   📞 +962-795721257   🔗 rafat maita   ⦿ Rafatmaita

Profile

Full-stack web developer skilled in Node.js, TypeScript, Python, ASP.NET, and React.js, with experience building scalable applications using MongoDB and PostgreSQL. Developed multiple projects during training at Orange Coding Academy, including e-commerce platforms and library systems. At MenaDevs, contributed to over ten projects, integrating AI solutions such as chatbots, AI-generated UI, and backend code assistance. Passionate about AI model training, prompt engineering, and enhancing web applications with intelligent features.

Technical Skills

Programming Languages:
JavaScript, TypeScript, Python, C++, Java, C#

Backend Technologies:
Node.js, Express.js, NestJS, Flask, ASP.NET

Frontend Technologies:
ReactJs, NextJs

Databases:
MongoDB, PostgreSQL

Version Control:
Git, GitHub

Software Architecture:
MVC Pattern, OOP

AI & Machine Learning:
AI Training, PromAI Integration, AI Training, Prompt Engineering, AI-assisted Developmentpt Engineering

Soft Skills:
Problem Solving, Teamwork, Communication, Adaptability, Time Management, Continuous Learning, Attention to Detail, Creativity

Professional Experience

Full-Stack Web Developer Trainee   08/2023 – 01/2024
Orange Coding Academy 🔗   Zarqa, Jordan

- Completed an intensive training program on full-stack web development using Node.js, Express.js, MongoDB, and PostgreSQL.
- Developed over 10 projects, including solo and group projects, gaining practical coding and teamwork experience.
- Participated in Agile Scrum environments, taking roles such as Scrum Master and Quality Assurance lead.
- Improved skills in project management, teamwork, and delivering software under tight deadlines.
- Enhanced communication and collaboration through regular Agile sprints and peer reviews.

- The training was conducted in partnership between Orange Coding Academy and Princess Sumaya University for Technology (PSUT), under the supervision of Simplon.co ⬀ , and the certificate is officially accredited by the Ministry of Higher Education and Scientific Research in Jordan.

Software Engineer & AI Training   05/2024 – 09/2025
MenaDevs ⬀   Amman, Jordan

- Developed and optimized AI prompts to enhance model accuracy, relevance, and response quality.
- Conducted AI model fine-tuning, testing, and validation to improve interaction consistency and reduce hallucinations.
- Designed and implemented AI integration strategies within web applications, including AI-powered chatbots and smart features.
- Trained AI models on UI generation, debugging AI-generated code, and applying frontend best practices using React.js, Next.js, and Streamlit.
- Supported backend development by refining AI-generated backend code with Node.js, Python, and ASP.NET ⬀ , ensuring code quality and functionality.
- Collaborated in cross-functional teams, demonstrating strong teamwork, adaptability, and problem-solving skills in both AI projects and web development tasks.

Full-Stack Developer   09/2025 – Present
Plus Connect   Amman, Jordan

- Leading the development of a multi-vendor Store Builder platform, enabling businesses to create and manage scalable online stores.
- Designing and implementing secure, extensible APIs using NestJS to support modular system architecture.
- Building high-performance, responsive frontends with Next.js and SCSS, ensuring seamless user experiences.
- Collaborating cross-functionally to integrate payment gateways, product management modules, and advanced admin dashboards.
- Applying software engineering best practices to deliver solutions optimized for scalability, maintainability, and security.

Projects

Book-Reading Platform ⬀
A digital library platform featuring personalized recommendations and user reviews.
- **Tech Stack:** HTML5, CSS, JavaScript

Divine Secrets Store ⬀
Skincare e-commerce platform offering high-quality products with seamless delivery.
- **Tech Stack:** Node.js, Express.js, PostgreSQL, React.js

GearUpShop ⬈

Automotive accessories e-commerce platform with secure payments and product reviews.
 Tech Stack: Node.js, Express.js, MongoDB, React.js

Education

Full-Stack Web Development Bootcamp   08/2023 – 01/2024
Coding Academy by Orange ⬈   Zarqa, Jordan

Bachelor's Degree in Software Engineering   2020 – 2024
Hashemite University ⬈   Zarqa, Jordan
